Clarksburg Field Day Set Aug. 2

Clarksburg's 50th annual Field Day, and Homecoming sponsored by the Methodist Church, will be held Aug. 5, in the Methodist Grove on Route 138, one-half mile east of the village.

Many attractions have been planned for the all-day event. A highlight of the entertainment will be the appearance of several performers of TV's Midwestern Hayride.

Other attractions include a tractor pull, trapshooting, pony rides, horseshoe pitching for prizes and trophies, games and contests for children and many commercial exhibits.

The Adelphi Band will also present concerts in the afternoon and evening.

Lunch will be served during the day at refreshment stands and a fish and chicken dinner will be served in the evening beginning 4:30.
