It was a wet, drizzle day but little rain at the Field Day. A small but appreciative crowd. Played on the stage after extra chairs were removed. It's good to have the program and numbers already written out. Saves time calling them out and finding them means we play more numbers. Good turnout and well-balanced. Only short in the clarinet section. Fish sandwich was good and the price was right - $3.

Music played: Show Boy, Under the Double Eagle, Sweet Memories, On the Square, Ohio Special, Shoutin Liza Trombone, Pride of the Illini, Pagentry, Grouping Days, Mexacali Rose, On the Mall, Bombasto, Indiana State Band, Stars & Stripes.
