

Clarksburg's Field Day Is Thursday

Plans are nearing completion for Clarksburg's 48th annual Field Day Thursday, at the Field Day Grounds on Route 138, just east of the village under sponsorship of the Clarksburg Methodist Church.

As for many years, the Adelphi Band will be appearing both afternoon and evening. Roy Broughton and the Owl Creek Ramblers of Chillicothe will entertain on the programs and the Five Potts Brothers of London will be present for one or both programs.

"Zeke" Turner and Billy Holmes, participants in WLW's "Midwestern Hayride" will appear in the evening.

Other popular attractions of past years are scheduled, including pony rides, trap shooting, horseshoe pitching, and contests for boys and girls.

Two new stunts for the children will probably be introduced this year. One is a contest to see who can ride accurately for a given distance on a straight line; the other to see who can ride most accurately toward a given point blindfolded. Prizes will be given for all children's contests.

Commercial exhibits will be numerous, especially of farm machinery.

Fish lunches will be served at noon and fish and chicken dinners in the evening.

Jimmy's Guys Get

Other reduced earlier this year. General will bring to last Sept. 1 to cubic feet.
