

**Kiwanis Club Is
Premium Donor
To Club Winners**

The Chillicothe Kiwanis have demonstrated their interest in the farm boys and girls by donating \$20 to be used to provide premiums for exhibit winners at the Ross County Farmers' picnic schedule for August 9, at the county home.

Last year the Kiwanis similarly evinced their interest by giving a silver loving cup to be awarded the club making the highest score at the annual picnic. If won three times by the same club it is to remain the permanent possession of that club. Last year's winner, the Huntington Township Sewing Club, is prepared to defend it against all comers this year.

A full day of entertainment has been planned for the picnic in the forenoon there will be games for all ages, foot races and other contests. In the afternoon the sports will continue with the exception of the time during which the speaking will be in progress beginning about two o'clock.

The speakers will be L. L. Rummel, editor of the Ohio Farmer, and C. A. Dyer, legislative agent for the Ohio State Grange and the Ohio Farm Bureau Federation.

Rummel, will speak upon "Know Ohio". He is especially qualified to speak upon this subject.

Dyer, one of the outstanding men in his line in the country, will discuss the work of the Grange and of the Farm Bureau.

In addition, demonstrations by the boy and girls in 4-H club work will be in progress throughout the day in the Exhibit building.

Music has now been secured for the occasion as the Adelphi band has consented to fulfill this need.
