Re: Adelphi Community Band

Dear Howard,

This is a follow up of our recent conversation about the Adelphi Community Band playing at the July Fish Fry.

The band will be happy to come down and be part of your entertainment. Just let us know what time and where you want us to perform and we will be ready for a good concert. There will be no fee for our coming. You mentioned that you would give them their dinner. This will be find.

I want them to come early so they can all tour the grounds and see all the fine facilities on the Otterbein Campus.

Whenever you know all the details -let me know when and where we play and how long of a concert you want.

Very truly yours,

Dale DeLong

Dear Mr. DeLong:

Some time ago Charles handed me your card with the name of the Adelphi Community Band on the back. He indicated that they would be willing to do a concert here on October 6 or 27. I will be off campus both dates but possibly could get a resident to take care of the details of arranging for the room set up and introductions.

I would appreciate knowing what type of music the band plays and some more information about the group. My preference for dates would be the 27th.

I am grateful for your suggestion for this program and would like to hear from you about their availability on the 27th. Will you be coming with them? Is there a fee?

Sincerely,

Arline B. Peckham

Dear Arline -

Our Adelphi Community Band will be at  
Otterbein Oct 27<sup>th</sup> and ready to play  
a concert at 3 P.M.

We will have two buses of people.  
Some are interested in knowing more about the  
Home. If you could have two persons available  
for short tour and answer questions concerning  
cost etc it would be helpful.

Enclosed is some material for information  
about the Band.

Very truly yours,
