On the March: Invercargill 14 times

5 times reaching the tracks, 4 on the other side, 5 coming back.

Asheville 4th is <sup>one of</sup> the biggest jobs of the year and all band members should turn out. The turnout was good but we're missing a few: Hugh Clark, Morris McCoy, Tom Cline, Rodger Carroll, Neil Redd, Bob Wameley.

Music played: New Colonial, Them Bases, Trombone King, Col. Bogey, Stars & Stripes Forever.

The weather was hot and the crowd was great. As I said the turnout was good and the march played <sup>on the wagon</sup> ~~is~~ very harmonious and fine. Some band members enjoyed a fine fish sandwich.
