Time Day. Not too hot. Parade forms a mile from town at the farm. It takes 2 playings of the march to reach town, 3rd time coming in, and 4th time in town with all the crowd. Band halted and played SSP. 5th time going around the corner and wagon halted at the little park. After parade finished we played in front of stage 12:00 to 12:30. It was under a tent in the shade. Poor turnout - short in many sections. Just enough to get by. Fish tail sandwich was good - cost \$3.25
