Clarksburg Field Day Set Aug. 7

There'll be attractions galore at the annual Clarksburg Field day, Thursday, Aug. 7, at Hurst's Grove, a quarter of a mile east of Clarksburg on Route 138.

This event which is sponsored by the Clarksburg Methodist church attracts large crowds each year, and a program to provide adequate entertainment has been planned. Various home and farm exhibits will spot the midway.

Entertainers for the afternoon include students from the Johnny Murphy studios in Columbus.

Highlights of the evening program will be the Midwestern Hayride TV-radio stars including Lee Jones, the Kentucky Boys, Zeke and Red Turner, Harpo Kidwell, Vic Bellamy, Buddy Ross and Roger Balphe.

Adelphi Band to Play

Throughout the day music will be furnished by the Adelphi band, and as a morning diversion there'll be a trap shoot and a series of athletic contests.

Lunch will be served at refreshment stands, while fish and chicken dinners will be served for the evening meal beginning at 4:30 p. m.
