Neil Redd arrived after 1st number.

Under new management Field Day was moved to Sat.
 It's always been on Thursday. Maybe that accounts
 for the people missing - lots of weddings on Sat.
 Missing were Dale, Ed B and Herman Jr.
 Good turnout and well balanced.

The music played was the same numbers
 used at Ameriflora in 1992. In fact these
 folders were made up for that purpose.

Total turnout: 18+1

This year we weren't seated on the stage,
 We're beside the stage on the ground.
