ADELPHI WILL HAVE A BIG TIME

The committee of arrangements for the sixth annual Knights of Pythias fair, at Adelphi, is kept busy these days arranging for the coming event, which will be held on Friday and Saturday, September 2nd and 3rd.

The success of these events in the past six years has encouraged the Knights to carry the fair for two days this year, and if again successful, it may be extended next year to three days.

The premiums will be more extensive and of higher value this year, than hertofore, and in consequence the exhibits will be finer and larger, in every department—and several new departments have been established which will please all lovers of art and domestic patrons.

There will be many attractions, and on the first day of the fair, the ex-soldiers' association of Ross, Hocking, Vinton, Pickaway and Fairfield counties, will meet on the same grounds, the Knights having kindly tendered the association the free use of the grounds, when all ex-soldiers and members of their families will be admitted free, and this day will be known as Soldiers' Day.

A free dinner and supper will be served on the grounds to all ex-soldiers and their wives, and everything else possible is to be done to make the day a most memorable one for our heroes.

The Adelphi Brass Band has been engaged to furnish music both days and the famous South Perry martial band will be on the grounds Soldiers' Day.
