Southeastern Band to Be At State Fair

Music will literally fill the air in Columbus, Ohio, between Aug. 24 and 31, the dates for the big 1956 Ohio State Fair.

112 high school and 4-H Club bands from 37 countries in the state will participate in the eight-day music festival during the fair.

Eugene Ross, superintendent of the music section of the Fine Arts Department, boasts an inspiring music program—one that will add color and enjoyment to an already gala celebration.

In addition to the bands, which will play at three locations during each day of the annual exposition, the music program will feature selections by many of the state's top soloists, groups and choruses.

Appearing on the State Fair program from Ross County is Southeastern High School.
