3000 ATTEND COLERAIN FRY

Annual Affair at U. B. Church in Colerain Saturday, Sees Record Broken.

The annual fish fry which is held each year by the Colerain U. B. Church was held Saturday, July 31st, in Bert DeLong's Grove, and it is estimated that three thousand or thirty five hundred people were in attendance. The crowd was larger than ever before in the history of the church.

Judge Florence Allen gave the principal address of the day, and Floyd Luckhart of Columbus, who came originally from that vicinity also made an interesting address.

The K. of P. Band of Adelphi furnished music during the day.
