## Indian Tells West Egypt Will Refuse Its Suez Plan

LONDON.—The Western Hemisphere administration of the United States has been told that Egypt will not accept the plan for Suez Canal operation of the Canal, said a representative of the Egyptian government, who said the plan was being discussed in London. The representative said that the plan was being discussed in London and that the Egyptian government had rejected it. He said that the plan was being discussed in London and that the Egyptian government had rejected it.

## None Killed In Deraillment And Collision

MEMPHIS.—A passenger train derailed and collided with a freight train here today, but no one was killed or injured. The passenger train, which was carrying about 100 passengers, derailed at the crossing of the main line near the city. The freight train was carrying coal and other cargo. The collision occurred at about 10:30 a.m. The passenger train was delayed for several hours.
