Rep. Betts Speaker For GOP's Fish Fry

"This year, Republicans will have the opportunity to offer the citizens of Fairfield County and the nation a significant change," says U.S. Rep. James E. Betts, Rocky River, Ohio's Third District representative, Betts will speak at the Fairfield County Republican Fish Fry Saturday, according to Walter Arrowsmith, general chairman.

The affair will be held at Fairfield County Fairgrounds with serving starting at 5 p.m. Betts is expected to speak about 7 o'clock.

Citing recent economic data, Betts said "the people of this country are fed up with high taxes, high unemployment, high inflation and high gasoline prices," and went on to predict that "we will realize the election of Ronald Reagan and a Republican Congress in 1980."

Ticket chairman Jon Myers urged advance purchase of tickets which are \$7 for adults and \$2.50 for children 12 years of age and under. Tickets are available from Myers, Fairfield County Republican Executive and Central Committee members, elected officials, and at the door.

Entertainment will be provided at the fairgrounds by members of the Adelphi Band,

who recently performed in Washington, D.C., in recognition of the band's 100th anniversary.

Following the program at the fairgrounds, a reception will be held at Republican Party Headquarters, 1104 E. Main St., to allow the public to meet candidates in the fall election, Arrowsmith noted.
