

chael, for all her help in getting the produce put away. Without her I couldn't have done it.

#### LABOR DAY

Speaking of Labor Day, they have a great weekend planned.

Among interesting things going on are the Antique Car Show Saturday evening at 5 with a cruise-in at the firehouse. There will be softball tournaments, water battles, bed races, sack races, pig wrestling and on and on. Also beauty contests, talent shows, Johnny Garber and bingo.

In the good food category there will be fish served at the fish stand starting at 4 p.m. There will be french fries, elephant ears and all kinds of good and fattening foods. On Sunday, after the church service, the auxiliary will serve a delicious roast beef dinner in the dining room of the firehouse.

At noon on Monday they will serve the popular barbecue chicken. As far as I'm concerned, that is the highlight of the whole weekend. There will be lots to see and lots of good music, and of course, the Adelphi Band will be there.

There will be all kinds of things going on the KP hall also. There will be flower judging, crafts judging, veggie judging and all sorts of things.
