## Celebration Planned for Labor Day

Members of the Bainbridge fire department will hold their third annual Labor Day celebration on Sunday and Monday at Burke Field on Route 50, three miles east of Bainbridge.

Starting Sunday's activities will be an oldtime fish fry followed by children's contests which will include greased pole, greased pig and sack races. Feature of the afternoon will be the baseball game between the Chillicothe All-Stars and the Bainbridge Merchants which is slated for 2:30 p. m.

### Primitive Husbandry

Also available will be ice cream and soft drinks and games. Throughout the afternoon demonstrations of primitive husbandry, as practiced by the ancients, will be held. More than a score of work cattle and oxen will be given work-outs, culminating in one "pull" on a large tree.

The Adelphi band will give concerts throughout the day.

Monday's schedule includes a fish fry and what promises to be the largest horse pulling contest to be seen in Southern Ohio in many a year. Twenty-five teams are entered and prizes and trophies will be given in each of the three classes, light, medium and heavy.

The baseball game will be between Good Hope and Bainbridge.
