sons Gene Jr. and Johnny the other day and accompanied her sister to Augusta, Ga. for several weeks' visitation with home folks. Jamie will also be with relatives in Atlanta and many other Georgia towns.

Jim and Leah Maxson and their three — both Tony and Jamie of Maroon were in our town for a day or two. One of the drawing cards was the annual Field Day at Clarksburg in which village the Maxsons used to reside. While here they were with Don and Ruby Garrison (Jim's mater).

Beatrice Anderson, chairman of the United Methodist worship committee is eager for everyone to attend either Sunday School or Worship service (or both) this coming Sunday (Aug. 6) for the pleasure of hearing the C.C.I. Harmonaires (Chillicothe Correctional Institute). Specializing in gospel music the Harmonaires are well received wherever they have appeared. She states that this group is different than the ones that sang at the father and son banquet, Sunday school at 9:30 a.m., worship service at 10:30.

'Twas a rather busy week end for Mr. and Mrs. C. C. Allen. Their guest for the entire weekend was Mr. Allen's cousin, Miss Bea Conkle of Columbus. Then on Sunday they had Gary and Sandy Wisecup (their granddaughter), Pat (Mrs. Jack) Clark (daughter) and granddaughter Dee Anne Clark. Later in the day they were pleased to have great-grandchildren Tracey, Lynne and Brian Keith Wisecup join the family circle. Brian and Tracey had been the weekend pleasures of their Grandparents Wisecup at New Holland. The busy weekend was a celebration of Mr. C. C.'s eighty-first birthday. The traditional cake and ice cream was enjoyed Sunday evening with the Wisecup pooodle, Brandy, right in the center of attraction.

there and our brother David Barnes. Later in the afternoon our Uncle George Runyon and daughter Diane of Columbus, Ind. and Aunt Goldie Rittlinger of Yellowbud joined us.

It was a lovely family day — lots of fun and laughs but a little sad, too, when family members live so far away that a get together doesn't happen often enough. Then, again, maybe that is why it is so good when it does. "Whitey" and Betty J. attended the thirtieth reunion of his Chillicothe High class on Saturday night and on Sunday enjoyed the Hardman family reunion at Yocantage Park. "Whitey" has been associated with Cape Kennedy for a number of years but is anticipating a transfer to North Dakota. I write about them because he has quite a few relatives in and about the Circleville Herald reading area and also friends from good old CHS days.

Our Carmen thoroughly had a "ball" today what with the DuPont picnic at Gold Cliff where the two of us won three cakes at bingo; then in the evening we took her to the Field Day. Half of Williamsport was there, I do believe, but I'll forego trying to name anyone for fear I'll "blow" it like I did the affair at Laurelville when I forget to mention that the Mike Tarbills were there and also Ruth Long and Dolly Thompson (that's Marvie Baby's other half).

The Field Day was very well attended. In the music line there was something to please everyone — the Adelphi Band, Bob Braun and Cliff Lash with "oldies but goodies," a country and western group and for those who really groove to the rock sound — that was there, too. Can't say I dig their message but it is tolerable (at times).

Think about. We can hate evil so much that we forget to love good, and there is much that is good.
