Horseshoe events set at field day

CLARKSBURG— Participants were competing in preliminary rounds this morning in the annual Clarksburg Field Day's Class D horseshoe tournament and trap shoot.

The class D tournament began at 10 a.m. and the class C tournament was to begin at 12:30 p.m.

A few field day visitors had trickled onto the grounds shortly before noon under sunny skies which promised a rain-free day for the 1970 event at the United Methodist Church grounds off Ohio 138. James Hiser is chairman of this year's field day.

The event is to include afternoon and evening performances by the Adelphi Community Band, an afternoon musical program by the Senior Citizens band of Columbus and an evening program by the Blue Ridge Quartet from Spartansburg,
