16 numbers

On the Square, When You Were a Tulip, Carrollton, Song of Veterans, Robinson's Grand Entry, Woody Van's, Nat. Emblem, Officer of the Day, Wash Post (scratch it), Stars and Stripes

Started at 12:30, quit at 3:55.

Big George Sprague came after we started playing. We have band members not watching or not following the conductor. Net result - rushing or speeding up especially on fast passages. The band must stay together - no show-boating. The fish sandwich from Bennett's stand was very good and the price was right \$3.

Total turnout 15+1
