GOODWILLERS HAD BIG DAY ON THURSDAY

Wonderful Chicken Dinner, At Frankfort A Feature—1,000 Hear Band Concert.

A slight shower near Yellowbud laid the dust for Chillicothe's Good Will Tour, Thursday afternoon, with the result that one of the most enjoyable tours ever planned by the Chamber of Commerce was experienced by over 100 business men.

The crowning enjoyment of the day was a wonderful chicken dinner prepared by the Ladies of the Presbyterian Church and served in the Frankfort M. E. Church. So large was the crowd that two servings were necessary.

After parading through Yellowbud, the tour went on to Williamsport, where Rev. L. G. Weber addressed a crowd and carried Chillicothe's greeting of neighborliness. At New Holland Carey Ware made the talk and found himself right at home among his old friends, with whom he used to live. The band paraded through Clarksburg and then the tour swung over to Frankfort for dinner.

The band concert began at 7 p. m. before a crowd of about 1000 people. Mayor McCoy gave an address of welcome, to which Mayor J. R. Gunning responded. Rev. Weber delivered the message of good will greeting. The Huff children were loudly applauded over their musical numbers.

All along the route the singing of "Pat" Highland served to make the good will message more vital.
