An exclusively Chillicothe march will be heard by the world October 4, when "Chillicothe On The Air," composed by Director Will Huff of the Odd Fellows' Band, will be given its first rendition by that band over the air from Station WEAO, Columbus, on the night of the Chillicothe program.

With this feature number added to the program as already announced arrangements for the broadcast have been completed. Louis Laeger, secretary of the Chamber of Commerce, which is in charge of the move, stated today.

Will Huff, the composer of the march, has on previous occasions composed or arranged special selections to meet local needs of the minute.
