On March Queen City 11 times
 Fine day for a big parade. Pretty
 good turnout but short in some
 sections. March played 2nd time
 turning the corner, 3rd and 4th down
 the street, 5 time turning the corner,
 7th, 8th, 9th going up the hill, final
 turn and finishing down the hill 10th
 and 11th (cut off). Great crowd all
 the way and parade moved smartly.
