Fair turnout - No Baritone and short in the clarinet section. 3 members (Dale, Jerry, Jeff) played in 2 bands this evening. Big parade with lots of bands. We were no. 50 unit in some @ 140 total. Big crowd - 3 or 4 deep in many places. We were cheered at every playing and even when we weren't playing. The 10th ^{playing of the march} ~~time~~ was cut off at the last strain.

Footnote: The Adelpi Band got much more applause than the Pumpkin Show Band. Kind of puts down bigger is better.
