A delegation representing Pickaway County Democrats was in Columbus Saturday to greet vice president Hubert H. Humphrey on his Presidential campaign stop to Ohio's capital city.

William Stout, chairman of the Pickaway County executive committee; Hewitt Cromley, chairman of the central committee; Martha Purcell; vice chairman of the executive committee; Margaret Crites, chairman of the women's Democrat Club, and Judge Guy Cline attended the \$100 a plate fund raising dinner held in Columbus.

In addition there was a busload of young Democrats from the Circleville area in Columbus to greet the presidential candidate.

The Adelphi Community Band, which has several members living in Pickaway County, played at the airport when Humphrey's plane arrived.
