Large festival crowd views 'Apple Bowl'

A large crowd saw Greenfield High School run away with the Apple Bowl, while others heard country musicians Nat Stucky and Peggy Foreman, Nashville, Tenn., as the Jackson Apple Festival continued on Friday.

The Greenfield football squad was an easy victor over Jackson High School. The final score was 18-0.

The team joined the other list of winners of apple festival events.

Sherwin Williams paint store won first place in the window displays. The Jacksonettes, a group of majorettes, scored highest in the best booth contest.

A Chillicothe woman, Rita Trater, Route 2, had the tastiest, flakiest apple pie, according to Jack Sadler, owner of Sadler's restaurant, contest judge.

Today's events include the grand parade, a square dance and a cheerleading contest.

The parade will have 250 units which includes 27 bands.

Twenty-one former apple queens will also be on hand for today's festivities. This is the first time in 20 years a queen-return has been held, according to Mrs. Paul Braggs, who coordinated the event.
