Turnout: ~~12~~ 12

Turnout was 12 players, but we didn't play. Never got together. 7 players were in the parking lot waiting for the wagon. These were Herman, Neil, Ed, Dale, John, Tom and Gil. The wagon never arrived - it was in the parade line with 5 band members - Jeff, Jarrad, Jim, Glenn and ~~Neil~~ Herman. The parade moved promptly at 10:00 without us. It turns out according to a map we are 4th in line and the wagon (driver) was sent in the lineup early. Might this be a learning experience.
