Band got on the wagon at the Westermane Parking lot. Gilbert Wamsley caught the wagon ready to pull out. John Mathew caught it pulling out. Merrill Junk caught it ready to turn. Jim Zottle followed the wagon to the start and Jeff Mathew got on at the start. What a way to pick up 5 players. Parade started at 10:00 and it took 35 min to get where we performed. Actual time in the parade 15 min. Good turnout but short in the baritone section.
