James Strausbaugh, drums; Garret Winfield, drums; Alfred Essauage, bass drum; Vernon Gault, cymbals.

The pep and enthusiasm which had its beginning at a big rally in the school study hall just after the close of school yesterday reached its climax just before the start of the game when the cheering became almost constant.

Yesterday at this rally the coach, principal and members of the team were present and a few leaders gave brief talks. The new cheer leaders got their first taste of real action at this time.

Sometime during the night high school fans decorated the streets in the vicinity of the school with such slogans as "Beat Jackson," "Yes Vikings and the like.

All of this led to the vigor and interest in the season's opening. Coach Verma predicted a hard and strenuous game since Jackson is reputed to have a team even better than that of last season.

A year ago the Jackson eleven threw a mighty scare into the boys by piling up an early lead which only the grace of fortune and extremely hard playing enabled them to overcome by a 23 to 9 margin.

Before the teams took the field Coach Verma announced "Bolt Snake" Wiseman, veteran backfield man of last season and one of the outstanding players of this season's eleven as the captain. No permanent captain is elected by the squad, a different one being appointed before each game.

Wiseman had just taken the field with the Jackson captain to call the loss for kickoff choice at press time.

At this late hour it appeared as if the following lineup of Chillicothe players would take the field:

Player	Position	No.
Hansbunt	center	17
Miller	left guard	11
Duncan or North	right guard	6-21
Matchler	left tackle	14
Herrnstein	right tackle	19
O'Donnell	left end	12
Conley	right end	9
Bohmes	quarterback	3
Wiseman	left half	10
Edinger	right half	2
Hemmerle	fullback	4

The game began shortly after 2:30 p. m.
