## Laurelville Street Fair Opens Tonight

Weather permitting, a record crowd is expected to attend the opening of the annual Laurelville Street Fair tonight. The fair will continue through Saturday night.

Mayor Lew McClelland said that seven rides and 35 concessions have been erected for the opening. The crack Adelphi band, composed of musicians from a four-county area, will play nightly at the fair.

All proceeds from the fair will be used to purchase equipment and necessities for the children's playground in the city park, Mayor McClelland said.

Plans are being made, he added, to hold a "Logan Night" during one session of the fair. Efforts will be made to obtain the 92-piece Logan High School Band for this session.

The big Circleville High School Band will appear Friday night at the fair, and will present a concert for fairgoers.
