Fair turnout - short in all 3 sections up front.
Fine day - not too hot and wind blowing.
Most of the crowd is downtown on Main St.
March played 8 times. First time going to
Main St with little crowd. 2nd time going
on to Main St. 3rd thru 6th time down Main
St with crowd cheering. 7th time leaving
Main St. 8th time going back. 2 noticeable
things - Low brass forgot to repeat last
strain and one time trumpet call was
missing. Otherwise it sounded great.
