On March : Trum. King 12 times
 Hot day, sun's out but also are storm clouds.
 Parade started late 15 or 20 min. Great
 crowd and enthusiastic. March played 12
 times but on the 9th time it rained. Then
 it rained hard but we kept on playing.
 With a big rain the clarinet keys are
 slippery. On the way back it quit and
 by the time we reached the start we had
 a chance to dry out. Good turnout and
 balanced.
