Dems' Ox Roast Set For Sunday at Meaco

Ross County Democrats are planning a really big day for Sunday—date of their annual ox-roast—at Meaco Park.

In addition to the roast beef itself—the four 4-H beeves have been slaughtered and the less choice meat cuts from the four traded for choice cuts of two others—a full afternoon's program is on tap.

Darrell Fawley, county central committee chairman, announced serving will be from noon until 7 or 7:30 p. m.—depending upon darkness and how long the food holds out. The party ends at dusk, however.

Two years ago, over 2,000 persons were served at the ox roast before the food gave out.

In the way of activity, the Adelphi Community band will play between 12:30 and 2 p. m. The Carverette drill team, a precision marching and drilling contingent headed by Robert Walker and representing the Carver Community Center will perform just before 2 p. m.

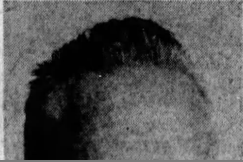

Ball Game, Horseshoes on Tap
At 2 p. m., the Chillicothe VFW Teener All-Stars, champions of a six-state area, will face the American Legion All-Stars in a baseball game.

Also slated for 2 p. m. is a horseshoe pitching tournament. Highlight of the day will come at 4 p. m. with a twist contest. There will also be round and square dancing with music being provided by the Scioto Valley High School (formerly Southeastern) jazz band.

There will also be door prizes—including a live goose, live pig, hams and a variety of other items awarded during the afternoon, according to Mr. Fawley.

It was announced traffic will be admitted to Meaco Park at the Paint Street entrance only.
