Program for a band concert to be held on Sunday, August 24, 1930 at the City Park at 7 PM.
The band is not named, but Will Huff is named as the Director.

It is noted that the program includes:

- "Premium" and written by Will Huff
- Patrol "Night Riders", and written by Lockwood. However, this is the title of a march written by Huff, and Lockwood is his middle name.
- Galop "Go", and written by Will. However, this song has the name of Will Huff as the composer. There are some who think that this was actually written by Henry Fillmore as one of the songs he wrote using that pseudonym.
